your own outdoor lounge

***Outdoor is where I thrive,
it's where I choose to live my life.
This is my story. I am Roolf.***

This story is about me-time. Yours. It holds a promise of style, of comfort, beauty, freedom. And it ends with... well, it never really ends.

Get ready to sit, chill and enjoy outdoor life on your own terms: imagine an award-winning design that will have you longing to lounge when and where you choose to.

It's strong, it's soft, it's loose, it's firm. It's made in Belgium. And it's very affordable.

Meet Dotty. She's no bean bag, she's a beauty. And she floats. Or meet the Long Chair. Meet the Love Seat, the Sunbed. Meet your outdoor lounge set.

Pay attention.
Take your time.
Trust your choice.

13 reasons why

This outdoor rug & furniture collection is made of our typical Roolf textile with its unique look, its funky feel and its distinctive technical assets. Here's 13 reasons why you're about to make a smart choice...

reddot award 2018
winner

1. **strong**

Roolf outdoor furniture and fabrics are strong, meant to withstand the forces of nature.

2. **comfortable**

You need to relax? Here's your answer: the Dotty Pouf, the Love Seat, the Sunbed... they have all been designed with your comfort in mind. Firm? Yes. But no hard edges, no steel frames. Only loads of softness. Let it go...

3. **easy cleaning**

Outdoor lounge furniture is meant for chilling, not for hours of cleaning. The fabrics we use help you get your priorities straight. Enjoy!

4. **outdoor = indoor**

The Roolf rugs, chairs, seats... are equally perfect for indoor use. Imagine them in your living room, by the fireplace, in the kids' corner... Choose freely.

5. **lightweight**

Had enough sun? Want to move to the shade, or vice versa? Just pick up your lounge set and go sit where you want to. There's nothing to it.

6. **dry quick**

All Roolf fabrics are permeable, which means rain or dewdrops pass right through. No puddles. No algae. No moss. Dry pants.

7. **made in belgium**

Flemish textile is world-renowned. This is a label we carry with pride.

8. **unique texture**

Whichever colour you choose - and we have many - each of them is made up of at least 3 different shades. Looking at your Roolf lounge set never gets boring, we've made sure of that.

9. **buddies with the sun**

Each and every item in the Roolf collection has been UV-treated, which means all those beautiful colours will keep their wonderful appearance. Let the sun shine, ladies and gentlemen.

10. **happy floater**

Yes, the Dotty Pouf even floats. There's a bit of magic to it. Just say abracadabra and go sit on water.

11. **red dot design award**

This we also carry with pride: the Dotty Pouf has won the prestigious Red Dot Design Award 2018 for its original design. (www.red-dot.org)

12. **budgetfriendly**

We want to make sure everybody can enjoy the pleasure of outdoor lounging. So we've made this collection very affordable. (The look of exclusivity is a free gift from us to you.)

13. **looks matter**

Outdoor living is our kind of living. To us, it means letting things go. Take a seat, see what happens. The look of our lounge range reflects just that. Some call it vintage. Others call it bohemian. We call it cool. Your rugs, chairs, seats, sunbeds... all come in many colours and in many shapes. Together, they form your own world of lounge. Prepare for a unique look with many feels and embrace that special state of mind: chillax.
